

# Ochil Shawl

WCY-104

4mm needles (80cm circular recommended)

21 sts per 4"/10cm in stocking stitch on 4mm needles (unblocked)

Yarn: 4ply/fingering – 250m of main colour, 100m of contrast 1, 50m of contrast 2, 3, 4

Block to 60" wingspan, 22.5" depth

Shown in 1 ball of JC Rennie Lambswool Cashmere 4ply Cronus, 2 JC Rennie Miniballs of Medium grey and one Miniball each of Silver, Iris and Confetti.

This pattern uses all of the main colour, and a bit over one miniball of Contrast 1, but there is plenty left of the other shades. If you want to finish the shawl a bit early to be sure of having enough yarn (the cast off takes about 5g) then you can do the alternative stripe sequence which can be finished after only two stripes without disrupting the symmetry. You can also start the garter stitch edging straight after the final contrast stripe on row 114.

If you are not comfortable with the garter stitch tab then you can just cast on 11 sts and proceed with row 1. The garter stitch tab gives a neat, uninterrupted top edge that continues into the 4 st garter stitch border worked integrally throughout.

The stitch count increases by 4 stitches on every right side row and 2 stitches every wrong side row.
